## Leverage Business Game

**This activity satisfies a number of the elements of the QCA Economic wellbeing 11-19: career, work-related learning and enterprise framework.**

- No. 1 Recognise, develop and apply their skills for enterprise and employability.
- No. 5 Learn from contact with people who work.
- No. 6 Learn about how and why businesses operate.
- No. 7 Learn about working practices and environments.
- No. 8 Undertake tasks and activities set in work contexts.
- No. 9 Engage with ideas, challenges and applications from the business world.

The Leverage Game provides a fun way of learning about business strategies that are used by real businesses. By playing the game young people will develop their knowledge and understanding of business and be encouraged to become entrepreneurs of the future.

### Objectives of the game:

1. To promote an enterprise culture amongst young people.
2. To give students the opportunity of learning about real business strategies.
3. To provide an opportunity for students to meet and work with people from a business background.
4. To develop key skills in numeracy and communication.
5. To manage risk taking and operate a business in a highly competitive market.
6. To support learning in a fun way.

Suggested Year group: Years 9, 10, 11, 12 or 13  
Number of students: Max 72 plus 12 bankers
